

User Task Flow Diagram

Carl "Duke" Paduka and The Stagecoach Hustlers are hosting the Summer Western Swing Showcase in St. Louis, MO. Duke needs to book an opening band. It's important to Duke that he find a band with the right sound, so he's interested in hearing a demo recording.

Carl "Duke" Paduka

Task Scenario 1A

Duke has heard of a band called The Sons of the Big Tent Preachers. To find the band by name, Duke begins by selecting the **Bands Tab** from the main navigation bar.

Task Scenario 1B

Duke needs to hire a band able to travel to St. Louis. To find the band by location, Duke begins by selecting the **Bands Tab** from the main navigation bar.

Task Scenario 2A

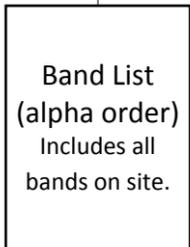

Duke wants to hire a band who can play a known favorite, Alamo Rag. To find a band which plays a particular song, Duke begins by selecting the **Songs Tab** from the main navigation bar.

Task Scenario 2A

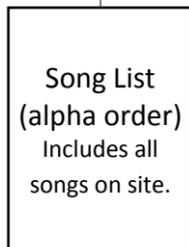

Duke wants to hire a band who can play a good Two-Step. To find a band which plays a song in a known style, Duke begins by selecting the **Songs Tab** from the main navigation bar.

Selecting the Bands tab opens a page with a list of all bands on the site by default in Alpha-order.

Selecting the Songs tab opens a page with a list of all songs on the site by default in Alpha-order.

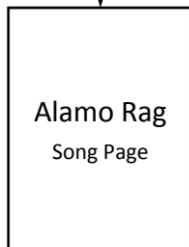

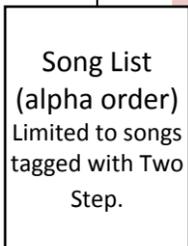

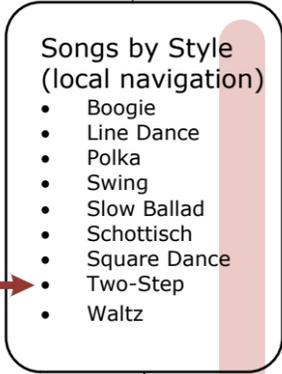

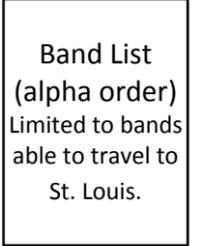

1A Duke scrolls down the list to find The Sons of the Big Tent Preachers. Clicking on Band name takes duke to the band page.

1B Duke limits the results to those bands able to travel to St. Louis by selecting entering St. Louis into the location field.

2A Duke scrolls down the list to find Alamo Rag. Clicking on song title takes duke to the song page.

2A Duke selects Two Step from the local navigation (featuring all the dance styles from the Controlled Vocabulary list).

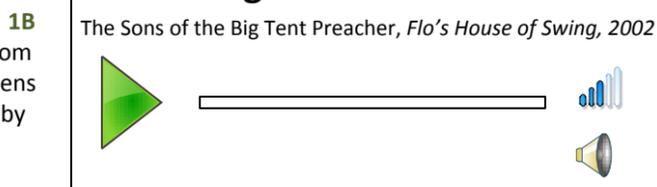

1A From the Band Page, Duke can listen to available demos by selecting a song from the Band Song List, opening a pop-up demo.

1B From the Band Page, Duke can listen to available demos by selecting a song from the Band Song List, opening a pop-up demo.

2A From the Song Page, Duke can listen to available demos by selecting a band from the Bands-who-play-this-song List, opening a pop-up demo.

2B From the Song Page, Duke can listen to available demos by selecting a band from the Bands-who-play-this-song List, opening a pop-up demo.

1A Duke selects Alamo Rag from the list. An mp3 gadget opens with Alamo Rag as played by The Sons of the Big Tent Preachers

2A Duke selects The Sons of The Big Tent Preachers from the list. An mp3 gadget opens with Alamo Rag as played by The Sons of the Big Tent Preachers
